Journey back in time and witness the rebirth of Dracula's evil empire.

Before Reinhardt Schneider and Carrie Fernandez confronted Dracula, a magical warrior embarked on a quest that would ultimately lead him to Dracula's lair. Take control of Cornell, a powerful werewolf, who is seeking out the evil minions responsible for his sister's disappearance. Armed with the power to morph from human to werewolf, Cornell is destined to rescue his sister from a sinister plan and rid the world of Dracula once and for all. Will he succeed or fail? Will the past unravel the future? Discover the legacy in this exciting prequel.

- Complete this challenging prequel and begin where the original Castlevania left off, featuring new plot twists, bosses, and levels.

- Upgradeable weapons with three different levels of strength.

- Unlock secret characters and experience new storylines and levels.

- Experience Castlevania in hi-res mode courtesy of the Expansion Pak®.

- Enchanting orchestral soundtrack and beautiful cinematics.
